

LICENSE NO. L6135

IN THE MATTER OF
THE LICENSE OF
ALI MOHAMED OSMAN, M.D.

BEFORE THE
TEXAS MEDICAL BOARD

AGREED ORDER

On the 27 day of March, 2026, came on to be heard before the Texas Medical Board (the Board), duly in session, the matter of the license of Ali Mohamed Osman, MD (Respondent).

On June 23, 2025, Respondent appeared by videoconference, with counsel at an Informal Show Compliance Proceeding and Settlement Conference in response to a letter of invitation from the staff of the Board. The Board's representatives were Kandace B. Farmer, D.O. and Linda C. Troncoso, members of the Board (Panel). Respondent was represented by T. Marc Calvert and Kayla Leever. Kerby Blanchard, J.D. represented Board Staff and drafted this Order.

BOARD CHARGES

Board Staff charged that Respondent failed to meet the standard of care for one patient, as well as her unborn child. Specifically, Respondent failed to appropriately treat the patient's infection and failed to provide fetal monitoring in the Emergency Department and discharged the patient home. This delay in care ultimately resulted in the death of both the patient and her unborn child due to complications of pregnancy.

BOARD HISTORY

Respondent has not previously received a disciplinary order or Remedial Plan from the Board.

Upon the recommendation of the Board's representatives and with the consent of Respondent, the Board makes the following Findings and Conclusions of Law and enters this Agreed Order.

FINDINGS

The Board finds the following:

1. General Findings:

- a. Respondent received all notice required by law. All jurisdictional requirements have been satisfied. Respondent waives any defect in notice and any further right to notice or hearing under the Medical Practice Act, Title 3, Subtitle B, Texas Occupations Code (the Act) or the Rules of the Board.
- b. Respondent currently holds Texas Medical License No. L6135. Respondent was originally issued this license to practice medicine in Texas on March 28, 2003. Respondent is not licensed to practice in any other state.
- c. Respondent is primarily engaged in the practice of emergency medicine. Respondent is board certified by the American Board of Emergency Medicine, a member of the American Board of Medical Specialties.

2. Specific Panel Findings:

- a. Respondent violated hospital policy by not sending the patient to labor and delivery for fetal heart monitoring after the patient was discharged from the emergency department.
- b. Respondent noted a normal physical exam in the medical record but did not record the presence of a pregnant uterus nor the size of the baby on the abdominal exam.
- c. Respondent did not elicit fetal heart tones or perform an ultrasound of the fetus while the patient was in the emergency department.
- d. After being discharged by Respondent, the patient visited the emergency department two more times and was observed in a labor and delivery unit. Patient and fetus ultimately died due to complications of pregnancy and delay of adequate care.

3. Mitigating Factors:

In determining the appropriate sanctions in this matter, the Panel considered the following mitigating factors:

- a. Respondent has cooperated in the investigation of the allegations related to this Agreed Order. Respondent neither admits nor denies the information given above. To avoid further investigation, hearings, and the expense and inconvenience of litigation, Respondent agrees to the entry of this Agreed Order and to comply with its terms and conditions.

CONCLUSIONS OF LAW

Based on the above Findings, the Board concludes that:

1. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.
2. Section 164.001 of the Act authorizes the Board to impose a range of disciplinary actions against a person for violation of the Act or a Board rule.
3. Section 164.002(a) of the Act authorizes the Board to resolve and make a disposition of this matter through an Agreed Order.
4. Section 164.051(a)(6) of the Act authorizes the Board to take disciplinary action against Respondent based on Respondent's failure to practice medicine in an acceptable professional manner consistent with the public health and welfare as defined by the following Board Rules: 190.8(1)(A), failure to treat a patient according to the generally accepted standard of care; 190.8(1)(B), negligence in performing medical services; 190.8(1)(C), failure to use proper diligence in one's professional practice; and 190.8(1)(D), failure to safeguard against potential complications.
5. Section 164.002(d) of the Act provides that this Agreed Order is a settlement agreement under the Texas Rules of Evidence for purposes of civil litigation.

ORDER

Based on the above Findings and Conclusions of Law, the Board ORDERS that Respondent shall be subject to the following terms and conditions:

1. Within one year following the date of the entry of this Agreed Order, Respondent shall enroll in and successfully complete at least eight hours of continuing medical education (CME) as follows: four (4) hours on the topic of risk management; and four (4) hours on the topic of emergency obstetrics practice and risk factors. The CME shall be approved for Category I

credits by the American Medical Association or the American Osteopathic Association and approved in writing in advance by the Executive Director or their designee. To obtain approval for the course, Respondent shall submit in writing to the Compliance Division of the Board information on the course, to include at least a reasonably detailed description of the course content and faculty, as well as the course location and dates of instruction. Respondent shall submit documentation of attendance and successful completion of this requirement to the Compliance Division of the Board on or before the expiration of the time limit set forth for completion of the course. The CME requirements set forth in this paragraph shall be in addition to all other CME required for licensure maintenance.

2. At all times while Respondent is under the terms of this Order, Respondent shall give a copy of this Order to all hospitals, nursing homes, treatment facilities, and other health care entities in Texas where Respondent has privileges, has pending an application for privileges, applies for privileges, or otherwise practices. Within 30 days of being first contacted by the Compliance Division of the Board following entry of this Order, Respondent shall provide to the Compliance Division of the Board documentation, including proof of delivery, that the Order was delivered to all such facilities.

3. The time period of this Order shall be extended for any period of time that: (a) Respondent subsequently practices exclusively outside the State of Texas; (b) the licensee's license is cancelled for nonpayment of licensure fees; (c) this Order is stayed or enjoined by Court Order; or (d) for any period of time longer than 60 consecutive days that Respondent does not actively practice medicine and such cessation in practice is NOT due to a suspension of Respondent's license. Respondent shall immediately notify the Board in writing in the event that Respondent leaves Texas to practice elsewhere or ceases active practice for more than 60 consecutive days. Upon Respondent's return to active practice or return to Texas, Respondent shall notify the Board in writing. Upon return to Texas or active practice, Respondent shall be required to comply with the terms of this Order for the period of time remaining on the Order. Respondent shall pay all fees for reinstatement or renewal of a license covering the period of extension or tolling. Tolling shall be in accordance with Board Rules.

4. Respondent shall comply with all the provisions of the Act and other statutes regulating the Respondent's practice.

5. Respondent shall fully cooperate with the Board and the Board staff, including Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent's compliance with this Order. Failure to fully cooperate shall constitute a violation of this order and a basis for disciplinary action against Respondent pursuant to the Act.

6. Respondent shall inform the Board in writing of any change of Respondent's practice or mailing address within 10 days of the address change. Respondent shall also provide an email address to the Board and inform the Board with 10 days of any change to the email address. This information shall be submitted to the Registrations Department and the Compliance Department of the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act. Respondent agrees that 10 days' notice of a Probationer Show Compliance Proceeding to address any allegation of non-compliance with this Agreed Order is adequate and reasonable notice prior to the initiation of formal disciplinary action. Respondent agrees that any proceeding related to this Order may be held in person, by teleconference, or by videoconference at the discretion of the Board.

7. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, or to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

8. Respondent shall be permitted to supervise and delegate prescriptive authority to physician assistants and advanced practice nurses and to supervise surgical assistants.

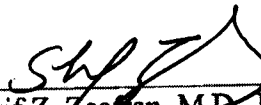

9. This Order shall automatically terminate upon Respondent's submission of sufficient evidence to the Compliance Division of the Board that Respondent successfully completed the requirements ordered in Ordering Paragraph Nos. 1 and 2.

RESPONDENT WAIVES ANY FURTHER HEARINGS OR APPEALS TO THE BOARD OR TO ANY COURT IN REGARD TO ALL TERMS AND CONDITIONS OF THIS AGREED ORDER. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.

THIS ORDER IS A PUBLIC RECORD.
