Dear Friend,

Recently, a truly horrifying story broke about a 10-year-old girl raped by her stepfather. Because abortion is illegal where she lives, she was forced to carry the pregnancy to term.¹

It awful. Shocking. Unbearable to think about.

But almost as horrifying is that Republican Presidential candidates are now actually DEFENDING the policy banning abortion for 10-year-old rape victims.

In Mike Huckabee's words, **"Does it solve a problem to take the life of an innocent child?"** Marco Rubio and Scott Walker have also expressed support for the policy.

[We can't let extremists like this get anywhere near the White House. Will you chip in \\$15 to help defend abortion rights?](#)

These anti-abortion policies are so extreme, you'd think they could only be coming from a fringe candidate.

Not so. Mike Huckabee won the Iowa caucus in 2008. Marco Rubio and Scott Walker are considered front-runners for the 2016 nomination.

We're leading the fight to defend abortion rights against these extreme policies. **Will you chip in \$15?**

[Yes, I'll chip in \\$15 to defend abortion rights.](#)

Thank you for helping to make reproductive freedom real for all women.
