Donor Bill of Rights

Philanthropy is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life. To assure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the not-for-profit organizations and causes they are asked to support, *we declare that all donors have these rights:*

1. To be informed of the organization's mission, of the way the organization intends to use donated resources and of its capacity to use donations effectively for their intended purposes.
2. To be informed of the identity of those serving on the organization's governing board and to expect the board to exercise prudent judgment in its stewardship responsibilities.
3. To have access to the organization's most recent financial statements.
4. To be assured their gifts will be used for the purposes for which they were given.
5. To receive appropriate acknowledgment and recognition.
6. To be assured that information about their donation is handled with respect and with confidentiality to the extent provided by law.
7. To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.
8. To be informed whether those seeking donations are volunteers, employees of the organization or hired solicitors.
9. To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.
10. To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers.

Create a Lasting Legacy for PP Heartland and the Future

An increasing number of PP Heartland supporters are helping ensure the future of our agency and its clients by providing a gift in their wills or through a planned gift. Please contact Jennifer Garst, gift planning manager, at (515) 235-0409 or jennifer.garst@ppheartland.org or Tari Hendrickson, regional development director (402) 441-3365 or tari.hendrickson@ppheartland.org for more information.

Thank you!

Your support of our health care, education and advocacy efforts means so much to those we serve.

You sacrificed to help others so their health and lives could be better.

You remembered the thousands of women, men and families who rely on our services each year.

You helped us carry out the vision of one of our founders, Elizabeth Bates Cowles, who said in 1934, "May we give the same opportunity to the underprivileged mother as her more fortunate sister has."

It is solely through **your gifts of time, talent and treasure** that the achievements described in this Annual Report were made possible.
